*Jazzitup Kids provides weekly school holiday programmes for children from 4 to 14 with English as a second or alternative language in central London. We offer themed days with fun English language learning workshops in the mornings through our method of Active Storytelling - the stories and adventures of Jazzy the Juggler, consolidated by educational visits to London's key cultural landmarks and project work.*

*We teach kids within a no-pressure context where they are able to enjoy learning, sharing and expressing themselves according to their abilities. The aim of our holiday camps is to teach English with an emphasis on public speaking and new vocabulary and grammar acquisition, learning and practicing the target language objectives both inside and outside the classroom while having fun!*
